TECHNOLOGY OF TOMORROW TODAY

CIAZZ LED

ciazz

Switch to Innovation

"Ciazz" is a brand of R.K industries an ISO 9001 : 2008, 14001: 2015 and OHSAS 18001 : 2007 Company. CIAZZ is one of the fastest rising companies dealing in electrical appliances. Based in Ghaziabad Haryana, CIAZZ in a short span of time has built a good reputation in the market due to its strict quality check measures and innovative products which are above the competing brands in the market. CIAZZ is not just a traditional electrical appliances manufacturing company, we do heavy investment in research and development to develop and provide products which are relevant to the market and are futuristic in design and utility.

Switch to Innovation

LED

CIAZZ LED lights are made with the latest technology ensuring that the product is durable, cost effective and user friendly. Our products go through a strict quality check procedure leaving no space for compromises. Our LED lights are at par with the global standards, which are easy to use and comes with 2 years' warranty. CIAZZ LED Lights offers almost every lighting solution offering a wide range of international quality LED lighting for varied applications providing power efficient and long-lasting lighting.

The usage ranges from residential to industrial applications.

HOMES AND OFFICES

CIAZZ LED indoor lighting are a complete lighting solution for both residential and commercial spaces. They are designed to give sophisticated, elegant look to your spaces; the exclusive and extensive product range meets every need of indoor lighting.

INDUSTRIAL LIGHTS

CIAZZ industrial lights are designed to work in extreme industrial environment like factory area, assembly lines, and warehousing facilities as well in transports hubs. CIAZZ lighting provides even distribution of light functioning in highly extreme surroundings with power, efficiency and long lasting qualities.

OUTDOOR LIGHTS

CIAZZ LED lighting provides a solution for outdoor lighting applications. CIAZZ LED lighting provides a solution with cost friendly approach, eliminating high maintenance lights and provides benefits like eliminating glare. The range can be used to light up streets, car parks, tunnels, parks etc.

Product Name- **MAVEN- L**

Product features -

- Wide Operating Voltage
- Very Low Heating
- Eco Friendly

Color option -

- cool white.
- warm white
- Red
- Green
- Blue
- white

Application -

- Homes
- Offices
- Malls
- Showrooms
- Residential
- Test Labs
- Restaurants
